**SOLVILLA NORWEGIAN
PADEL TENNIS OPEN
MARBELLA 4 OCT 2017**

Padel Tennis is in huge growth all over Europe and Northern Vision is proud to have been associated with the sport for nearly three years through its annual Solvilla Norwegian Open taking place at Hotel Puente Romano on the 4th of October 2017.

The Tournament is part of an annual Northern Vision Tennis Academy at Puente Romano taking place during the Norwegian fall break school holiday. The tennis academy offers programs for children from the age of 6 to daily adult programs.

The Solvilla Norwegian Open will be advertised on social media and in the local press in Marbella and we expect a combined interest with the tennis academy to be around 100 families with high net worth combining tourists and Norwegians with residences in the region.

The event will take place on the 4th of October with a big prize ceremony dinner at Suite del La Mer the following evening.

We are looking for a number of Presenting Sponsors to the Tournament and our Academy, should this be of interest to your firm please do not hesitate to call or email for further information.
